Best respects to all. Berlin is a
great place to have a good time but
to work - we see all.
Dear George - again respects to all.

Schlögel Str 22^{III} Berlin N 8/10/04
You will no doubt be relieved to know that the
lost has been found and that she is in very fine quarters
in fact the nicest room I have been at in Berlin. Her address
is Winterfeldt Str 26. ^{Berlin W} Do Frau Schade. One of the young ladies
who came over on our boat happened to sit beside her in one
of our classes & they got talking & thus I found out from
the American young lady where she was. I went & called
on her this afternoon & we went around & called on several
beer gardens (drank beer of course) Cafe etc. She is all
right and is in a nice part of the town. I forgot to take
the book with me but will not the next time I go
which will be soon as she knows a young lady from
Ottawa whose brother & I used to be chums. She said she
would have come around soon to see me & this Ottawa girl.
There are plenty of Americans & Canadians here. She said
a Mrs Bertram who had been here 4 yrs with her son had
been very kind to her. She said she would not write to
you as you were awfully bad the last time she saw you. R.H.S.
